- 🚩 Good Computer skills

Language

- 🚩 English
- 🚩 Afaan Oromo
- 🚩 Amharic

Programming Language

- 🚩 HTML, JavaScript, CSS, Node.js
- 🚩 Java, React, Python, C#, C++, PHP

About Me

I am Kananisa Dereje Daba graduate from Mekdela Amba University College of Computing and Informatics with Bachelor of Science Degree in Computer Science, where I developed a solid foundation in programming and software development. With a strong passion for technology, I specialize in web development using the MERN stack and mobile app development with React Native. My academic journey has equipped me with the skills necessary to design, develop, and maintain functional websites and applications that meet user needs.

Education

Bachelor of Science Degree in Computer Science
Cumulative Grade Point Average (CGPA) of 3.53
National Exit Examination Score of 76%
Graduation Year on February 14, 2025

Work Experience

I have experienced professional responsible for designing, coding, and maintaining complex web applications. While I am a recent graduate, I have developed a strong foundation in software development through academic projects and internships. During my studies at Mekdela Amba University, I worked on various web development projects involving both frontend and backend technologies.
